declare under our own responsibility that our product(s) fulfils the essential requirements in accordance with the following:

All parts/components/products/materials present in the product comply with RoHS 3 (EU 2015/863) requirements and will not contain the following substances or – if contained – their presence will be within the tolerance limits below listed:

|                                       |                         |
|---------------------------------------|-------------------------|
| Lead (Pb)                             | Limit: <0,1% by weight  |
| Mercury (Hg)                          | Limit: <0,1% by weight  |
| Cadmium (Cd)                          | Limit: <0,01% by weight |
| Hexavalent Chromium (Cr VI)           | Limit: <0,1% by weight  |
| Polybrominated Biphenyls (PBB)        | Limit: <0,1% by weight  |
| Polybrominated Diphenyl Ethers (PBDE) | Limit: <0,1% by weight  |
| Bis(2-Ethylhexyl) phthalate (DEHP)    | Limit: <0,1% by weight  |
| Benzyl butyl phthalate (BBP)          | Limit: <0,1% by weight  |
| Dibutyl phthalate (DBP)               | Limit: <0,1% by weight  |
| Diisobutyl phthalate (DIBP)           | Limit: <0,1% by weight  |

The approved exemption listed in RoHS 3 Directive EU 2015/863, or any further directive (as further re-enacted, amended, supplemented, restated, modified from time to time) and any further exemption clauses adopted by EU Technical Adoption Committee shall be allowed.
